Notes for Coaches:

Please schedule your team appt

here: <https://www.signupgenius.com/go/5080C4DABA82CA7FF2-diamond13>

Do not send the scheduling link to parents. Please only register for one appointment per team (each team will need their own appointment time).

- It is unlikely that you will ever have 100% of athletes on picture day. We suggest going with the athletes that can make it to pictures even if you are missing a couple of people on the day you select. The best times will fill up fast, so we encourage you to make an appointment for your team as soon as you know the playing schedule.
- All sponsored teams are requested by Diamond Council to take at least a team photo for your team sponsor.
- If there is a chance of rain on picture day, photos will be moved indoors to the equipment shed behind the purple field at Antimi Fields, still inside Cosmo Park. **The person who registers for online appt will be notified via text message if this happens.**
- Your photo session will take 15 minutes to do individual portraits and a team photo. Allow enough time for your session, and to travel to your field, plus any warmup time you need before your game. Don't ask our staff to rush your appointment. Typically the "wait" experienced on picture day is due to parents not being on time, and not having their orders completed or printed to turn in. Please do your part to communicate with parents.
- **Please schedule your photo appointment BEFORE your game.** Parents will complain about messy children and uniforms, if photos aren't taken while children are fresh. Arrival time for parents and athletes is 10 minutes before your appointment.
- Below is the link for you and parents to purchase via self-checkout. Every child will need a paper we notate image frames to tie orders to children, so please **encourage parents to order in advance of your appointment and bring their printed receipt.**
- Head Coaches, please check in at the information desk in the photo area at least 5 minutes before your photo time. Our staff will have an information sheet for you to complete and will line you up with your assigned photographer.
- For your help in organizing your team for picture day, following our guidelines and encouraging purchases, Legends Sports Photography will donate one 5x7 team photo to ONE head coach of teams with at least 7 people purchasing.
- If you have questions, you may email us at sportsimagegroup@comcast.net.
