PLEASE ORDER **BEFORE** PICTURE DAY & TIME

***TIPS FOR A SUCCESSFUL PHOTO DAY***

1. Please use the above link to purchase photos before your session and print your receipt to bring it to photo day. A form is needed to notate your athlete's image frames.
2. Please be on time for your session. If you are late, we may take the team photo without your child. **Arrival time for pictures is 10 minutes BEFORE your appointment.**
3. Please be sure a responsible person goes with your child for pictures, so they can make sure we take an individual photo of your child if you order one.
4. **Our onsite staff are not linked to the payment portal and only know to photograph children with printed order receipts that are turned in to the photographer at picture time. Even if you only order a team, you need to print the receipt and bring it to picture day and turn it in.**
5. If you cannot print your receipt, we will have filler slips available at the event to write order number and athlete name to tie image and order together.
6. Children will proceed into the photo area with receipts/forms in hand. Those without forms/receipts will only be photographed in the team photo. All athletes, even if not purchasing, are welcome and will be included in the team photo.
7. Please do not stand behind the photographer while they are working, especially for the team photo. We want all the children looking at our camera and photographer, not a parent cell phone. We really appreciate your cooperation in reminding other parents that standing behind the photographer is distracting to the children. Please don't ruin the photos families are purchasing.
8. Photos will be mailed to your home in about 4-6 weeks depending on photo lab production times, and USPS.

***Thank you for your purchase & supporting our family-owned local business!***
